Unsure Smart Mischievous

Goals

- Read comics about kick ass women
- Find out if she likes Wonder Woman in the comics
- Look at comics Meetup friends have said she'll like

Frustrations

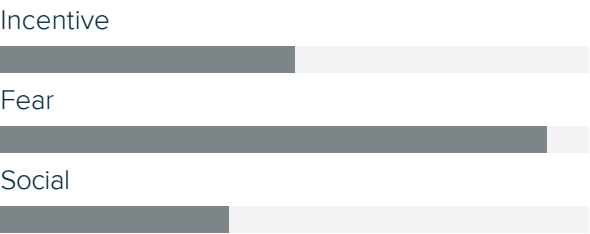

- Being treated like a noob
- Frustrations figuring out what she likes, comics wise
- Not belonging because she doesn't know as much as everyone else

Bio

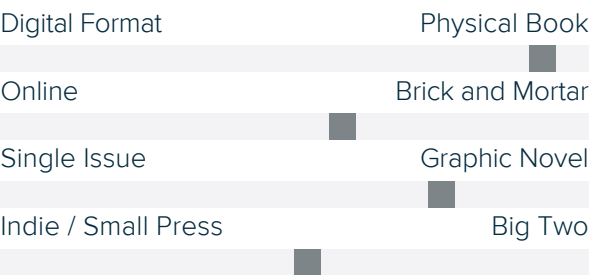

Jennifer joined a pop-culture Meetup and after seeing Wonder Woman kick ass on the silver screen she wants to get into comics, but not necessarily super heroes. One of her new Meetup friends told her about this indie science fiction comic called Saga, which sounds like something she'd like.

Jennifer isn't sure how to get into comics or where to start, but her new friends have suggestions.
