

Lists Archive

Delete a List

1. User taps “Lists” icon in app main nav
2. User taps  icon to far right of list name.
3. Options menu slides up from screen bottom; “Share”, “Rename”, “Delete This List”, “Cancel”
4. User taps “Delete This List” and Options menu closes and the list is deleted from the archive

Make a List

Note that the Add to List use cases are in the View Details Use Cases document.

View List’s Details

1. User taps the name of a list they want to view
2. The View Lists Details screen for that list opens

Tech Note: Deleting an item from a List works the same as deleting a list.
